Student Registration

1. Register - Link

EducoSoft Homepage

Click on "Register" Link

- To access your online course, you must first register in your class.

- Go To www.educosoft.com, click on "Register" under the "New Student Tab", and proceed to register and enroll in your class.

1. Register – Information Required

Before you start the registration process you will need:

1. Your Class Information: (State, Institution, Term, Course, and Section)

2. A valid e-mail id (this is also used as your login id)

3. A Student Access Code (provided to you in your book or purchased from your Book Store).

<div align="center">Or</div>

You will need a credit card or a checking account (e-check payment) for online payment.

If you didn't purchase a Book or a Student Access Code from the Book Store then you can register without an access code by making a payment online. Once you complete the process you will be registered and enrolled in the class.

1. Register – Enter Class Information

- **Select each field for registering and enrolling in the correct course / class.**

- **You must have this information before starting the online registration process.**
